HSI Prepaid Solutions Relocates to Larger Headquarters

Long Beach, MS, July 6, 2009 -

Due to the rapid expansion of their product line, HSI Prepaid Solutions (HPS) recently moved its headquarters in Mobile, AL to a larger building in Long Beach, MS. The new warehouse is fully equipped to properly store all types of promotional products and phone cards.

HPS Chief of Operations, Edward Boudreaux, says “our new warehouse facility near Burke Avenue in Long Beach, MS was needed to properly store our promotional products and phone cards; we simply out grew the leased area we used in the HSI Vending building in Mobile. This new warehouse will allow HPS to expand our products and inventory levels. We’re excited about the future products that will come on line in late 2009 and 2010.”

All future correspondence should be sent to PO Box 604, Long Beach, MS, 39560.

For additional information on HSI Prepaid Solutions’ move, contact Megan Cobb or visit www.hsisweepstakes.com. For a free ticket, please visit www.hsisweepstakes.com and fill out the free entry request form.
